Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Wastewater Treatment Plan Screenings Project in fiscal year 2025. The entity to receive funding for this project is the City of Asbury Park, located at One Municipal Plaza Asbury Park, NJ 07712. The funding would be used for the installation of a new screenings system, which will filter out harmful debris that damages important wastewater treatment plant pumping systems. The project is an appropriate use of taxpayer funds because it will improve treatment process reliability and protect communities along the Atlantic Ocean coastline.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

FRANK PALLONE, JR.
Member of Congress
