Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Edison Senior Services Expansion Project in fiscal year 2025. The entity to receive funding for this project is the Township of Edison, located at 100 Municipal Boulevard, Edison, New Jersey 08817. The funding would be used to expand services at the Community Center to provide seniors with recreation, social services, technology education, and more. The project is an appropriate use of taxpayer funds because it will help Edison residents access high demand senior services and foster improved connections within the community.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

FRANK PALLONE, JR.
Member of Congress
