Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for Highland Park Pedestrian, Bicycle, and Roadway Safety Improvements project in fiscal year 2024. The entity to receive funding for this project is the Borough of Highland Park located at 221 South Fifth Avenue, Highland Park, NJ 08904. The funding will be used to design and build bicycle, pedestrian safety, and roadway reconstruction projects on No. 8th Avenue and on Magnolia/Benner Streets. The project is an appropriate use of taxpayer funds because it will help the Borough better protect pedestrians, advance ADA upgrades, and install safe bicycle infrastructure for residents.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
FRANK PALLONE, JR.  
Member of Congress
