Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for Matawan Lead Pipe Removal project in fiscal year 2025. The entity to receive funding for this project is the Borough of Matawan, located at 201 Broad Street Matawan, New Jersey 07747. The funding would be used to investigate and remove all lead service lines within the Borough. The project is an appropriate use of taxpayer funds because it will allow the Borough to protect public health by identifying and replacing all of its lead service lines promptly.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

FRANK PALLONE, JR.
Member of Congress
