Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Aberdeen Township Water Main Replacement Project in fiscal year 2024. The entity to receive funding for this project is Aberdeen Township, located at 1 Aberdeen Square, Aberdeen, NJ 07747. The funding would be used to replace several deteriorating water mains and services in the Township. The project is an appropriate use of taxpayer funds because the current water mains have deteriorated to a point where they failed several times, leaving many residents without potable water and necessitating costly emergency repairs.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

FRANK PALLONE, JR.
Member of Congress
