Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the City of Asbury Park Wastewater Treatment Plant Resiliency project in Fiscal Year 2027. The entity to receive funding for this project is the City of Asbury Park, located at 1700 Kingsley Avenue, New Jersey 07712. The funding will be used to upgrade the City's wastewater treatment plant to increase its longevity. The project is an appropriate use of taxpayer funds because these improvements will increase the reliability and capacity of the City's wastewater treatment system and ensure the long-term viability of its treatment facility that serves over 15,000 residents.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

FRANK PALLONE, JR.
Member of Congress
