Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Edison Light Transit (ELT) Project in fiscal year 2024. The entity to receive funding for this project is the Township of Edison, located at 100 Municipal Blvd, Edison, NJ 08817. The funding will be used to purchase five electric passenger vans for the Township. The project is an appropriate use of taxpayer funds because it will create a low-cost transportation option in the Township in the sixth largest municipality and one of the most diverse populations in the State of New Jersey.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

FRANK PALLONE, JR.
Member of Congress
