Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Fair Haven Community Center Project in fiscal year 2024. The entity to receive funding for this project is the Borough of Fair Haven, 748 River Road, Fair Haven, NJ 07704. The funding would be used to build a new community center to replace the current deteriorating community center that has a persistent mold issue and does not meet building and safety codes. The project is an appropriate use of taxpayer funds because it will help provide the Borough with a multi-purpose building that will act as an important communal hub for its residents.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

FRANK PALLONE, JR.
Member of Congress
