Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Keansburg Pedestrian Safety and Roadway Improvements Project in fiscal year 2024. The entity to receive funding for this project is the Borough of Keansburg, located at 29 Church Street, Keansburg, NJ 07734. The funding will be used for pedestrian access improvements, roadway reconstruction, and enhanced drainage for the two (2) roads within the project scope. The project is an appropriate use of taxpayer funds because it will increase pedestrian safety and improve the roadways in one of the most traversed sections of the Borough.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
FRANK PALLONE, JR.  
Member of Congress
