Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Borough of Keansburg Raritan Avenue Stormwater Pump Station Improvements project in Fiscal Year 2027. The entity to receive funding for this project is the Borough of Keansburg, located at 29 Church Street, New Jersey 07734. The funding will be used for upgrades to the existing stormwater pump station located at the end of Raritan Avenue and the replacement and improvements to the existing stormwater drainage system. The project is an appropriate use of taxpayer funds because these improvements will assist the Borough increase the capacity and output of the existing stormwater pump station to remove excess water and alleviate flooding in the neighborhoods during moderate storm events.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

FRANK PALLONE, JR.
Member of Congress
