Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Borough of Matawan Middlesex Road Water Treatment Plant project in Fiscal Year 2027. The entity to receive funding for this project is the Borough of Matawan, located at 201 Broad Street Matawan, New Jersey 07747. The funding will be used for various mechanical repairs and rehabilitation work on the Borough's water treatment plant. The project is an appropriate use of taxpayer funds because it will make the Matawan treatment plant compliant with federal water standards and ensure safe, healthy drinking water for all residents.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

FRANK PALLONE, JR.
Member of Congress
