Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Borough of Neptune City Sanitary Sewer Pump Station Modernization project in Fiscal Year 2027. The entity to receive funding for this project is the Borough of Neptune City, located at 106 West Sylvania Avenue, New Jersey 07753. The funding will be used to modernize several aging sanitary sewer pump stations that are critical components of the Borough's wastewater collection system. The project is an appropriate use of taxpayer funds because these improvements will increase the reliability and capacity of the Borough's sewer system, reduce the risk of sanitary sewer overflows, and improve the efficiency of wastewater operations.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
