Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the New Brunswick Traffic Safety Improvements project in fiscal year 2026. The entity to receive funding for this project is the City of New Brunswick located at 78 Bayard Street, New Brunswick, NJ 08901. The funding will be used for upgrades to the intersection of Jersey Avenue and Van Dyke Avenue, including new traffic signals, accessible sidewalks and ramps, enhanced pavement markings, and high visibility warning signs. The project is an appropriate use of taxpayer funds because it will help improve pedestrian and vehicular safety in the city.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
FRANK PALLONE, JR.  
Member of Congress
