Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Perth Amboy Interim Improvements to the Runyon Water Treatment Plant project in fiscal year 2026. The entity to receive funding for this project is the City of Perth Amboy, located at 260 High Street, Perth Amboy, NJ 08861. The funding would be used for improvements to the Runyon Water Treatment Plant that will help the city better address water sources that have been impacted by PFAS and other contaminants. The project is an appropriate use of taxpayer funds because it would have a positive impact on public health and will help Perth Amboy comply with the U.S. Environmental Protection Agency's regulations for managing emerging contaminants.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

FRANK PALLONE, JR.
Member of Congress
