Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Melrose Sanitary Sewer Pump Station Replacement Project in fiscal year 2024. The entity to receive funding for this project is the Borough of Sayreville, located at 167 Main Street, Sayreville, NJ 08872. The funding would be used for the reconstruction of the sanitary sewer pumping station in the Melrose section of the Borough. The project is an appropriate use of taxpayer funds because construction of the proposed facility would eliminate the potential for operational failure during future flood events and the associated health and safety issues that result from wastewater overflows.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

FRANK PALLONE, JR.
Member of Congress
