Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the South Amboy Intermodal Center in fiscal year 2024. The entity to receive funding for this project is the City of South Amboy located at 140 North Broadway, South Amboy, NJ 08879. The funding will be used for environmental remediation as well as the construction of waterfront bulkheads, a seawall, access roadways, curbing, sidewalks, parking, a pavilion structure, site lighting, water, sewer, gas, and electric. The project is an appropriate use of taxpayer funds because it will help complete a much-needed multimodal conduit for Central New Jersey residents going to and coming from New York City, removing surface transportation congestion in the process.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

FRANK PALLONE, JR.
Member of Congress
