Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the United Way of Central Jersey Financial Opportunity Center project in the Appropriations Subcommittee on Labor, Health, and Human Services Employment and Training Administration account in the Fiscal Year 2022 legislation. The entity receiving funding for this project is the United Way of Central Jersey located at 32 Ford Avenue, Milltown, NJ 08850. The funding will be used to establish a Financial Opportunity Center, which will provide an integrated set of three core services for families in need: employment services, financial education and coaching, and access to income supports. These services will provide access to vital tools for these families, helping them to recover from their current financial struggles – many of whom are still suffering from the economic impacts of the COVID-19 pandemic.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

FRANK PALLONE, JR.
Member of Congress
